

Technical Publications Web Site “My Pubs Account” User’s Guide

This User’s Guide provides detailed instructions on how to order manuals from the HBC Technical Publications website, track those orders and manage/renew subscriptions. The Tech Pubs website is located at <http://pubs.hawkerbeechcraft.com>. The site can also be accessed by going to the Hawker Beechcraft home page (<http://www.hawkerbeechcraft.com>) click on Global Customer Support, Technical Publications, then the submenu Overview. This user’s guide assumes registration and log-in procedures are known. If additional assistance is needed or you are a first-time user, a Registration User’s Guide is available on the [Help/FAQ](#) section of the web site.

Ordering Technical Publications

Publications can be searched on most web pages of the Tech Pubs site. An advanced search is also available by clicking on the **Advanced** link under the **Search** button or by clicking on the **Technical Manual Search** link under the Technical Publications links. You can search the publications database by manual/revision (product type), model, manual type or part number. By default, results of your search include all product types (manuals, revisions, TR’s/TC’s) and the latest revision information. This includes information that is current but not available for sale. By default, prior revisions are not included.

Results can be downloaded in a text (.csv) format and the current view can be changed to show more or less results on the page.

The **My Company Addresses** tab will show a list of all addresses on file for your company. If you have drop shipped orders to other companies, those addresses will also be listed. To locate the correct address, sort by Name, Attention or City or you can use the Windows find function (ctrl-f) and type in any part of the address. If your company has multiple addresses on file, you can click the **Add to Favorites** link under each address that you use frequently to move it to your personal **Favorites** tab. When you locate the correct address, click **Bill to this Address**.

If you do not find the address, click on the **Enter New Address** tab, fill out the information and click on **Bill to this Address**.

If you are ordering for someone else in the company or for an outside company, click on **Change this address** under the **SHIP TO**.

[My Pubs Account](#)

Click on [My Pubs Account](#) to follow the activity on the order.

My Pubs Account shows the order history and status as well as active subscriptions. The **Order History** tab will list the orders placed by your company. Click the **View Order** link to view a summary of the order. After an order ships, this summary will be updated with final billing information, including sales tax and shipping cost. This information will usually be available within 24 hours of the order shipping. For many orders it will be available within a few minutes of the order shipping.

My Pubs Account can be accessed from most pages on the Tech Pubs website or click on your username to access it from **My Tools**.

Managing/Renewing Subscriptions

To manage subscriptions, including renewals, click on the **Subscriptions** tab. You can sort by any of the fields (part number, description, quantity, PO/ref#, serial, status) by clicking on the heading. The status tells you subscription expiration dates and which subscriptions are up for renewal .

My Pubs Account

Check here to receive renewal e-mail notification for the subscriptions listed in your profile (or below).

Please note that you will receive renewal notices for all subscriptions approximately 45 days before the expiration date. If you do not wish to receive an e-mail, please do not check the box. A hard copy renewal notice will be mailed regardless of whether an e-mail is requested or not.
